

The work and ministry of St Mary's, both in our local community and beyond, depends entirely on the generosity of those who worship here, or are associated with us in other ways. Your generosity in supporting us financially is vital to our future: if every household in the congregation gave just £5 per week, our financial situation would be much more secure.

There are various ways in which you can give – including cash and contactless donations at all of our services. We would strongly recommend, however, that you consider signing up to the Parish Giving Scheme: it is simple to set up, and allows us to reclaim an additional 25% Gift Aid on top of your donation. It also allows us to plan ahead, based on a predictable income stream from our parish.

If you would like to sign-up to regular giving through the Parish Giving Scheme (or give a one-off donation) you can do so at this link: <http://bit.ly/shenfieldPGS>, or by calling 0333 002 1271.

You may also wish to consider leaving a legacy to the church in your will – these gifts have been enormously valuable to the church in the past, and have allowed us to invest in more significant projects to secure our future.
